Penwood Real Estate Investment Management Announces the Sale of Veterans Way Logistics Center in Moreno Valley, CA

Hartford, CT – August 5, 2015 – Penwood Real Estate Investment Management, LLC (Penwood) through its Penwood Select Industrial Partners III, L.P. and with its development partner, Shaw Properties, announced the sale of Veterans Way Logistics Center, a newly-developed 366,698 square foot warehouse/distribution building in Moreno Valley, CA, to locally-based investment company. The transaction closed during the third quarter of 2015.

Prior to the acquisition in July 2014, the property consisted of two separate parcels and did not have the appropriate zoning in place to accommodate the development of a larger, single building on the site. Leading up to the closing, Shaw Properties secured the requisite zone change and obtained site plan approval positioning the asset for the development of a single building. The project was completed on time and under budget.
